

**1. ESTATE OF CAPPS, 24PR0138****Petition for Final Distribution**

The inventory and appraisal identifies real property as the sole asset of the estate. The will states that said property shall be distributed to petitioner.

The petition for final distribution requests to distribute, pursuant to the will, specific gifts in the amount of \$1,000.00 to beneficiaries Michael Capps and Debra Bandy, respectively. Additionally, the petition for final distribution requests to compensate petitioner's counsel \$9,270.00 (plus an estimated additional three to six hours at an unspecified hourly rate) for services rendered in this matter; and reimburse petitioner's counsel \$2,740.10 for costs advanced. However, it is unclear to the court what assets are available to cover these specific gifts, attorney fees, and reimbursement.
