On 6/18/24 the court held a hearing where parties were present as well as Judge Lynn Scasuto of Los Angeles County in order to resolve the issue of which petition for Guardianship had precedence to proceed. The court found that the Los Angeles Petition was first in time and thus had precedence to proceed. The court set this court date to either proceed or dismiss. The court had indicated the El Dorado County Petition would only proceed if guardianship was not granted in Los Angeles County. Unless information is presented that the guardianship proceeding in Los Angeles County failed to result in the granting of guardianship, the court will dismiss the petition.
